

Bluetooth Headphone Audio Receiver AA-2106 User Manual

Press & hold (5 sec): ON/OFF
Click Once: Play / Pause / Answer / End Calls
Double-Click: Re-dial last dialed phone number
Press & Hold: (2 sec): Reject incoming call

- Power on the AA-2106.
- To pair the AA-2106 with device, the LED light blinks to indicate it is ready to be paired with your device.
- On your Bluetooth device (smartphone, tablet, media player) navigate to the Bluetooth settings menu, turn on Bluetooth feature and search for new devices.
- After a few seconds you will see the AA-2106 appear.
- Tap this model to select it - solid LED light indicates your device has successfully paired.
- With your previously paired devices are turned on and in range, the AA-2106 will automatically reconnect to the last Bluetooth device it was connected to.

Note: If the adaptor is not used within 5 minutes, the device will automatically turn off to save battery.
