	Android 4.3+ (Requires 6-Axis Gyro)
Bluetooth® Version:	4.0
Play Time:	Up to 2 Hours
Batteries:	2 x AA (Not Included)
Dimensions:	252(L) x 148(H) x 38(W)mm

Operation:

1. Download the iOS™ or Android app

App Name: AR Gun

2. Insert 2 x AA batteries (not included) into the battery holder of the AR gun.

Requires 2 x AA Alkaline Batteries.

3. Press the trigger to power on the AR gun, you will see the LED light flashing blue.

4. Open the AR Gun app on your smartphone and it will automatically pair with the gun.

5. Once the AR gun is connected, the LED will turn off.
You can now scroll through and play each of the games.

Note: If the gun is not connected, press the trigger again until you see the blue lights flashing as it may be in standby mode.
