

# STAR TEAM

## INSTRUCTION MANUAL LASER TAG

### Key Functions

#### GUN

#### VEST

- LIFE INDICATORS: EACH LIFE INDICATOR REPRESENTS 3 HEALTH POINTS (FOR A TOTAL OF 9 OR 12)
- LOW BATTERY: ALL LIFE INDICATORS WILL FLASH SLOWLY TO INDICATE THAT THE GUN / VEST HAS LOW BATTERY
- MAX SHOOTING RANGE: 40M

### BATTERY INSTALLATION

#### GUN

Use a screwdriver to remove the battery cover

Insert 3 AAA batteries(not included). Make sure the batteries are inserted with the correct polarity.

Replace the battery cover.

#### VEST

Use a screwdriver to remove the battery cover

Insert 3 AAA batteries(not included). Make sure the batteries are inserted with the correct polarity.

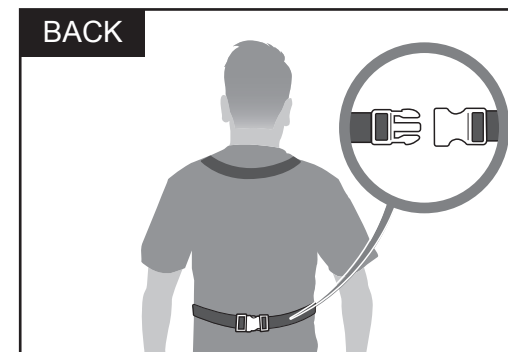

Replace the battery cover.

### SAFETY AND WARNING INFORMATION

- Do not mix alkaline standard (carbon zinc) and rechargeable (nickel hydride) batteries.
- Do not mix old and new batteries.
- Non-rechargeable batteries should not be charged.
- Rechargeable batteries should be charged under adult supervision only.
- Exhausted batteries should be removed.
- Batteries should be inserted with the correct polarity.
- The supply terminal should not be short-circuited.
- Do not put batteries next to or in a heat source (fire, electronic heating device, etc.)
- Do not hit guns and vests against hard objects.
- Do not expose any parts of the set to water or other moisture.
- Caution: use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

### VEST INSTRUCTION

1. Place vest strap over your neck.
2. Fasten buckle in the back. Tighten straps to secure vest.

### OPERATION INSTRUCTION

- 1 Switch the gun on( It will play the start sound and team light will flash different color). The gun will default to Single shot.
- 2 Team selection of gun: Press the team selection button to toggle between teams. There are 4 colors to represent possible teams – blue, red, green or white. You cannot shoot your own team. A player cannot change teams during a game.
- 3 Switch the vest on and it will cycle through different colors. Use the gun to shoot the vest with 1 shot and the vest will turn the color of your team. The vest is now assigned to your team. See pairing diagram on the right.

- 4 Gun modes and shots selection: Press button (FIRES) to toggle between 4 gun modes:

Gun Modes	Single shot	Laser gun	Machine gun	Plasma gun
Shots				
Health reduced by each shot				

When you run out of ammo,press the reload button under the grip to reload.

- 5 Aim and shoot at an opponent's gun or vest to register a hit. Once hit, the health points counter will reduce accordingly and the gun/vest will vibrate and emit a sound. Each life indicator will show a different level of health (See Health points counter diagram). Health points of the gun and the vest are calculated independently. Gun has 3 life indicators=9 health points, vest has 4 life indicators=12 health points. When all lives reaches 0, all indicators will be dark and then flash, you will be unable to fire anymore.

There are 2 ways to play (See below diagrams).

### RESET GUN & VEST

- A player cannot change teams or reset a gun during a game.
- Press the team selection button to change your team before a game.
- To reset a gun/vest, switch the gun/vest off and on.

### TROUBLE SHOOTING

Problems	Possible reasons	Solutions
Products without function	The batteries are installed wrongly or they are damaged.	Reinstall the battery or change the battery.
	The switch is off.	Make sure the switch is on.
Failure to hit aims	Shot your teammates.	Try to shoot your opponents.
	The bullets haven't been added after shifting the gun type or they have been used up.	Press the " reload " button to reload the bullets.
	Failure to aim at opponents or it exceeds.	Aim at the targets, shorten the shooting distance.
Disable to use normally	Obstacles existing between two shooters.	Avoid obstacles.
	Low battery power, the life indicators flash at the same time.	Replace new batteries or charge(only for rechargeable batteries).
Shorter firing range	Affected by the other infrared devices (like TV remote control).	Don't use the other infrared devices when playing the toy.
	Using the laser tag in strong sunlight.	Block sunlight or play in an area without strong sunlight.
