### Package Accessories

- Wireless Power Bank \* 1
- Micro USB Cable \* 1
- User Manual \* 1

### Notes

1. Do not drop, hit or shake the mobile power bank as it may damage or the displace the lithium battery which may lead to failure!
2. Do not submerge into the water.
3. Avoid prolonged exposure to sunlight or rain.
4. Do not store or carry flammable liquids, gases or explosives near mobile power banks.
5. Use compatible cables only. Forcing in incorrect adapters/cables may damage unit.
6. Keep your mobile power bank out of the reach of children to avoid accidents.
7. Do not disassemble the damaged mobile power bank.
8. Choose smart mobile power protection. Intelligent protection has several advantages: over-current protection + short-circuit protection + over-discharge protection + regulator protection + overcharge protection, users do not have to worry if there's going to be a security risk after being charged for certain period of time.
9. Mobile power banks should be charged and discharged every month.

### Warranty Card

Dear users, Thank you for purchasing POWERTECH products, in order to provide better service, please read the user manual carefully after purchased.

Unauthorized removal or misuse of the user is not covered by the warranty
