Getting to Know Your Device

1.Using in Wet Conditions
Your device is waterproof, which means it is rain-proof and splash-proof and can stand up to even the sweatiest workout.
NOTE: Do not swim with your Smart Watch. We also don't recommend showering with your watch; though the water won't hurt the device, wearing it 24/7 does not give your skin a chance to breathe. Whenever you get your Smart Watch wet, dry it thoroughly before putting it back on.

2.Using Quick View
With Quick View you can check the time or the message from your phone on your Smart Watch without tapping. Just turn your wrist towards you and the time will appear on the screen for a few seconds.
