STEREO BLUETOOTH® SPEAKER

USER MANUAL

XC-5225

Compact enough to take anywhere, but loud enough to get the party started! With a wide dynamic range of 90Hz to 20kHz, you get high quality audio streaming straight from your smart device, or laptop. You can even use non-Bluetooth® devices with the included 3.5mm audio cable. When using Bluetooth connectivity however, you also gain play/pause and next/previous control right from the speaker. This means you can keep your device hidden (or charging somewhere) and still keep control of the music. The built-in Lithium battery keeps you untethered, and you simply recharge via the included USB cable.

WARNINGS
- Please turn off the speaker when not in use.
- Do not use the speaker at maximum volume for extended periods of time.
FEATURES
- Rechargeable
- On-board Playback Control

FUNCTIONS

Press ▶▶❙ to skip to the next song.

Press ❙◀◀ to go back to the last song.

Press and hold "+" to increase the volume.
Press and hold "-" to decrease the volume.

Press ▶❙❙/✳ to pause the music and press it again to play.

OPERATION

How to power ON/OFF
- Press the POWER button for 2 seconds to power on.
- Press the POWER button for 2 seconds to power off.

How to use Bluetooth mode
1. Power on the speaker. You will hear a "beep" sounds and the blue LED will flash quickly. Then you can start to pair the speaker with other Bluetooth enabled devices.
2. Use your Bluetooth enabled device (i.e. smartphone) to search the speaker name "XC5225" and connect to it.
3. After successful connection, the blue LED light will begin to flash slowly.
4. Start playing your music!

How to use hands free function
- Connect your smartphone to the speaker.
- When you receive a call, press the ▶II/$*$ button to answer the phone call.
- To hang up the call, press and hold the ▶II/$*$ button.

How to charge the speaker
- When you hear the intermittent beeping alarm sound, the battery is low and requires charging immediately.
- Connect the speaker to the USB charging cable included.
- Connect the cable to a USB mains adaptor or to your computer to charge.
